BERTHA PELLETIER

1906-1993

DEDICATION

This year's Town Report is dedicated to former Town Clerk, Bertha Pelletier, who passed away in March. Bertha served as our Town Clerk from 1958 to 1974. She resigned her post as Town Treasurer in 1958 in order to fill the post vacated by Leslie Ham.

We would also like to remember the following who served the town in various capacities:

Donna Osgood, d. 10/25/93. Donna served as an election official for several years.

Earl Simonsen, d. 10/11/93. Earl served on various boards over the last few years.

Simonne Blouin, d. 07/29/92. Simonne served as an election official for many years prior to the death of her husband, Paul.

FARMINGTON TOWN POUND REPORT

The Farmington Conservation Commission, chaired by Randy Orvis, began the process of getting the Town Pound on the National Registry of Historic Places in July, 1992; Kurt Olsen wrote to the New Hampshire Division of Historical Resources for application forms.

The paper work got off to a good start when Judy Nichols found the correct date of 1823 for the Pound in early town records. Ed Demers carried out the required historical research and regional survey of Town Pounds. Through Dave Roberts' guidance, a virtually unknown Pound in the woods of N. Gilmanton was photographed and recorded. Our Town Pound was granted National Registry status on Sept. 09, 1993.

The success is due to the assistance and encouragement of many people: Selectmen Willis Berry, Barbara Spear, John Silvia and Joan Funk, former Town Administrator John Scruton, Town Administrator Richard Magnifico, Secretary Judy Nichols, Building Inspector Don Gilbert and Secretary Diane Ficco, Roger Belanger of the Puddledock Press, Librarian Dorinda Howard, John Nolan of the Times, Louise Hoage and Roger Nutter of the Farmington Historical Society.

Restoration of the Pound to its historic integrity, using the 1904 photograph as a guide, is our next goal. Randy Orvis, Chairman of the FCC and members Terry Corneau, Judythe Burkinshaw and Ed Demers, assisted by volunteers Paul Turner and David Burkinshaw have been involved in the ongoing clearing of the Pound lot. Thanks to Trustee Paul Turner, a bronze marker has been ordered and will be paid for out of the Trust Funds. Special thanks go to teacher Candy Lee and all the fifth graders at the Memorial Drive School who raised \$200 toward the restoration of the Pound.

Farmington is indebted to:

Nicholas Colbath who built the Pound so well that its walls have stood for 170 years; The unknown photographer who recorded the original appearance of the Pound; and the Raab family who deeded the Pound on its 120' x 130' lot to the Town in 1975; and finally to Roger Nutter and members of the Historical Society who cleared the Pound lot and installed a new gate and sign as a Bicentennial Project in 1976.

The Pound; at the geographical center of Farmington, can be reached by taking the Meeting House Hill Road at Wagon Wheel Corner; up the hill to the end of the road and take a hard

right onto Ten Rod Road; follow to the end of the black top; three quarters of a mile further take the Pound Road on the right. The Pound is 300' in on your left.

A MESSAGE FROM STATE SENATOR LEO W. FRASER, JR.

It has been a privilege to again represent Senate District 4, which includes the Town of Farmington, in the New Hampshire Senate. We entered the 1993 Legislative Session facing many challenges and I am proud to say that we addressed many of these challenges with vision and innovation.

As your state senator, I have made economic development and job creation one of my highest priorities. As a member of the Senate's Economic Development Committee, I sponsored several legislative initiatives intended to encourage the expansion of business and industry in our state. These policies will serve to enhance opportunity for our residents in the future. Throughout 1994, I will continue to build upon these efforts.

Reducing the burden of property taxes was and will continue to be a priority. Last session I sponsored legislation that would have increased state aid for education. While this proposal was not adopted, a new law was passed that increases the amount of rooms and meals tax revenue returned to our communities. I was a co-sponsor of this legislation and also supported the inclusion in the State Budget of an additional \$10 million in revenue sharing. In the future, I will continue to look for ways to decrease the burden of property taxes on our citizens.

Of course, there were many other issues demanding my attention. Throughout, I have striven to accurately represent your views and concerns before the General Court. As always, I encourage you to share your views with me and I look forward to continuing to serve you in the future.

RESPECTFULLY SUBMITTED,

LEO W. FRASER, JR.

1994 TOWN WARRANT

To the inhabitants of the Town of Farmington in the County of Strafford qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Farmington on Tuesday the eighth day of March next (1994) at nine o'clock in the forenoon to cast your ballot for Town officers and for questions required by law to be on the ballot. Polls will close no earlier than 7 o'clock in the evening. The remainder of the Warrant will be acted on beginning at 7 o'clock in the evening, Wednesday the ninth day of March.

- ARTICLE 1. To choose one Selectman for three years, one Treasurer for one year, one Budget Committee member for one year, three Budget Committee members for three years, one Moderator for two years, one Trustee of the Trust Fund for three years, one Supervisor of the Check list for 6 years, one Supervisor of the check list for 4 years.
- ARTICLE 2. Are you in favor of the adoption of the following amendment to the Town of Farmington Flood Plain Development Ordinance Page 3 paragraph 7, as proposed by the Planning Board to read: "Recreational vehicles" means a vehicle which is (a) built on a single chassis; (b) 400 square feet or less when measured at the largest horizontal projection; (c) designed to be self propelled or permanently towable by a light duty truck; and (d) designed primarily not for use as a permanent dwelling but as temporary living quarters for recreational camping, travel or seasonal use.
- ARTICLE 3. Are you in favor of the adoption of the following amendment to the Town of Farmington Flood Plain Development Ordinance Page 7 paragraph c, as proposed by the Planning Board to read: Recreation vehicles placed on sites within Zones A1 - 30, AH and AE shall either (i) be on site for fewer than 180 consecutive days, (ii) be fully licensed and ready for highway use, or (iii) meet all standards of Section 60.3 (b) (1) of the National Flood Insurance Program Regulations and the elevation and anchoring requirements for

"manufactured homes" in Paragraph (c) (6) of Section 60.3.

- ARTICLE 4. To see if the Town will vote to adopt the provisions of RSA 72:1-c which authorizes any town or city to elect not to assess, levy and collect a resident tax. (By Petition)
- ARTICLE 5. To see if the Town will vote to raise and appropriate funds needed to hire three emergency medical personnel, to operate our ambulance during the day for a period of one year, at a cost of \$60,000.00 in the interim, while we are gathering new members and training them.
(Recommended by Budget Committee)
- ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$40,000 for five inch raised sidewalks, with granite edge from North Main Street along School Street.
(By petition) (Not recommend by Budget Committee)
- ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$2,570,103 (Two Million Five Hundred Seventy Thousand One Hundred and Three Dollars) for the operation, expenses, and commitments of Town Government which represents the bottom line of column No.3 (The Selectmen's Budget) in the posted budget (MS-7). Said sum includes Article 8.
(Budget Committee recommends \$2,570,103, Two Million Five Hundred Seventy Thousand One Hundred and Three dollars inclusive of their recommendation on Article 8.)
- ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of forty-nine thousand dollars (\$49,000) to be added to the Highway Capital Reserve Fund previously established and to authorize the withdrawal of sixty-six thousand three hundred six dollars and twenty cents (\$66,306.20) from the Capital Reserve fund for the purchase of a six (6) wheel dump truck with dump cart, plow frame, and stainless steel sander. (The Selectmen and

the Budget Committee recommend this appropriation.)

ARTICLE 9. To see if the Town will authorize the Selectmen to lease to the Farmington Community Child Care Center for a period of twenty (20) years at \$1.00 per year, 4.1 acres of land located on Route 153 near Town well #3 and adjacent to the PSNH right-of-way (Tax map R-3, Lot 22).
(Recommended by Budget Committee)

ARTICLE 10. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town, gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19.

ARTICLE 11. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept, and expend, without further action by Town Meeting, money from Federal, State or other governmental unit or a private source which becomes available during the year, in accordance with RSA 31:95-b.

ARTICLE 12. To see if the Town will vote to authorize the Board of Selectmen to transfer tax liens and to convey any real estate acquired by the Town by Tax Collector's deed. Such conveyance shall be by deed following a public auction, or property may be sold by advertised sealed bids, or may be otherwise disposed of as justice may require, pursuant to RSA 80:80

ARTICLE 13. To see if the Town will vote to pay only under protest any and all sums mandated by the State in violation of the State Constitution which are included in this budget and which the Board of Selectmen deem expedient to pay pending resolution of their constitutionality and to refuse to pay those sums mandated by the State in violation of the State Constitution which the Board of Selectmen deem inexpedient to pay.

ARTICLE 14. To see if the Town will accept the provision of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes.

ARTICLE 15. To see if the Town will vote to indemnify and save harmless for loss or damage occurring after said vote any person employed by it and any member or officer of its governing board, administrative staff or agencies from personal financial loss and expense including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgement by reason of: 1.) negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property if the indemnified person at the time of the accident resulting in injury, damage or destruction was acting within the scope of his/her employment or office; and/or 2.) any act or omission constituting a violation of the civil rights of an employee or any other person under any federal law if such act or omission was not committed with malice, and if the indemnified person at the time of such act or omission was acting within the scope of his employment or office as provided for in RSA 31:105 and 31:106.

ARTICLE 16. To authorize the Selectmen to sell to the highest bidder municipal vehicles including a surplus truck, one automobile, and other equipment as determined by the Selectmen.

ARTICLE 17. To transact such other business as may legally come before this meeting.

We hereby certify that on the eighth day of February 1994, we posted an attested copy of the within warrant to the place of Meeting within named and a like copy at the Farmington Post Office, a public place in said Town.

Barbara Spear, Chairman
John J. Silvia, Jr.
Joan A. Funk

Then personally appeared the above-named Barbara Spear, John J. Silvia, Jr. and Joan A. Funk and made oath that the above certificate by them is true.

Kathy L. Vickers, Town Clerk

A true copy of Warrant attest:

Barbara Spear
John J. Silvia, Jr.
Joan A. Funk

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of
the Board of Selectmen
Town of Farmington
Farmington, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Farmington as of and for the year ended December 31, 1992, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Farmington as of December 31, 1992, and the results of its operations (and cash flows of its nonexpendable trust funds) for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Farmington. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

TOTAL RECEIVED - GENERAL FUND		852,974.69

ANNUAL REPORT OF THE PLANNING BOARD FOR 1993

A total of 26 applications were made to the Farmington Planning Board during 1993. They consisted of: 12 for Site Review, 11 for Subdivisions, 2 for Earth Removal Permits and 1 for a Waiver of Conditional Approval.

1993 ran very smoothly, and work progressed steadily, albeit slowly, on the Capital Improvements Plan. The CIP Committee met with the Selectmen, Budget Committee and various Department Heads in an effort to bring the project toward completion. My thanks to the members of that committee for their hard work and diligence in the pursuit of this project's goal.

It is with great sadness that we note the passing of a fellow Planning Board member, Earl Simonsen. Earl will be missed both as a dedicated board member and a friend to all who knew him. His absence in the community will not go unnoticed.

I remind the citizens of the Town of Farmington that there always seem to be vacancies on the Planning Board, and we could use new members to fill these vacancies. Anyone interested may contact the Selectmen's Office for details. I urge you to become involved in the process.

In closing, I would like to take this opportunity to thank my fellow Board members for yet another year of their support and hard work. We look forward to 1994 with great anticipation of things to come. The Board wishes to thank the Board of Selectmen, Conservation Commission, Budget Committee, Department Heads and the citizens of the Town of Farmington for their continued support this past year.

Respectfully Submitted,
Elmer W. Barron, III
Chairman

1993 REPORT OF THE BOARD OF SELECTMEN

This has been a year of changes for our town. In March, our former Administrator, John Scruton, resigned. The Board of Selectmen, after an extensive search, hired Richard Magnifico who has an excellent background in business administration. Mr. Magnifico began his duties in July and was greeted with the task of the implementation of the pay-per-bag approach to increase the capital reserve fund toward the final cost of landfill closure. This also included a plan for organized recycling which would reduce the quantity of refuse filling the projected space above the present footprint. There were 19 volunteers involved in that decision making process. Those same volunteers will also help develop a plan for solid waste disposal after the landfill is closed.

Another committee, under the direction of Road Agent, Clark Hackett, a Roads Scholar, did a road surface management study (RSMS). They measured length, width and surface conditions of every paved and unpaved road in Farmington. All of this information has been entered into a computer data base to be used for future road decisions.

We have expanded our motor vehicle registration service. State "tags" can now be picked up at the Town Clerk's office for an additional nominal fee.

It has been a busy year with many accomplishments and changes made. The hard work, dedication and cooperation of your employees has been outstanding as we change management styles. This effort has been greatly appreciated by the Board.

FARMINGTON POLICE DEPARTMENT

1993

ANNUAL REPORT

1993 was a transition year for the police department. Through the efforts of many people the police department moved into its new space where the community center was located. This change was beneficial for both the police and the Parks & Recreation Department. The department lessened its liability because we can now separate young offenders from their adult counterparts. We can interview complainants without having to worry about sensitive information being overheard or seen as we have separate areas within the building to conduct business. Officers donated their own time for reconstruction but the real stalwart of the project was the Towns very talented Francis Marcoux. He worked hard and long to see the project through. I wish to commend him for the fine work he did.

During the year there were some minor personnel changes. Off.Button was placed back into patrol and Off.McGowan was given the duties of prosecution and case investigation. Because of the added burden of command Sgt.Roberge was relieved of the responsibility of the D.A.R.E. program and the program was turned over to Off.Yoder. Off.Willey was given the responsibility of overseeing basic cruiser maintenance.

The department maintained its commitment to training with officers attending various schools and seminars over the year. For example, officers went to learn in the areas of community policing, prosecution, police administration, budget preparation, auto restraints, investigating pedestrian accidents, field training excellence, hostage negotiation, robbery investigation, sexual assault, sex crimes, crime scene response and handling, stalking laws, victim assistance, advanced officer training and criminal and civil liability for the nineties. The department conducted classes in driver ed, we did McGruff programs, seatbelt safety programs, drug awareness programs and school lunch Officer Friendly program. As for case work, the department, in the Rochester District Court, handled 239 contested trials, 14 hearings dealing with probable cause or sentencing and bail and the department presented 765 cases for arraignment. Some figures are \$77,398.00 in fines, suspended fines \$11,012.00, also 1,103 days or about 3 years committed time in the house of correction, 4,496 days or about 12.3 years. There was 230 hours of community service ordered and people lost their right to drive for 6480 days or 17.5 years.

For the year ahead there are 4 basic goals the department wants to accomplish. First, Accreditation, this is a multi-year project and we want to be at level one by January 1995. This project will take at least 3 yrs. to complete. Second, is the idea of differential police response, which is a way of making the delivery of police services more convenient for the public, for example, people can use a mail-in report which will be developed instead of coming to the station or sending an officer to the scene. Another example is a Park, Walk, and Talk program which places the officers directly in the various town areas and they go door to door to see what the people need and how the police can help them. Third, is to have all officers CPR certified by the end of the year and fourth, is to keep planning for the future, for example, the vocational schools will be contacted to see if they want to spec out construction plans for any additions to the departments building. This is a good way to involve cost effective methods with local talent and students. Lastly, I want to thank the people of the Town for their support that the department has received through out the year. This department is a good department because the public has a right and demands that it be. I want to again challenge the public to help us be the best department possible. Contact me if you have a comment or complaint and lets work together to improve the efficiency and quality of police services for the Town.

Respectfully submitted,

Barry J. Carr
Chief of Police

1993 REPORT OF THE FIRE DEPARTMENT

During 1993 the fire department responded to 151 emergencies according to information compiled by the National Fire Incident Reporting System operated by the fire department.

The 151 calls include 32 fires that caused \$324,650 in direct property losses, 5 civilian injuries and 5 fire fighter injuries. There were no fire deaths recorded in Farmington during 1993.

The department also responded to 10 rescue calls, 24 false alarms, 63 other calls as well as assisting fire departments in surrounding jurisdictions 22 times.

The fire reporting system is a cooperative effort of Farmington Fire Department, NH State Fire Marshall Office and the Federal Emergency Management Agency and is operated locally by Deputy Fire Chief Joel Plante.

The 151 emergency calls were handled by an average of 13 fire fighters with 1 engine company, 1 ladder company and 1 special company. The average response time in 1993 was 8 minutes. The 151 calls consumed 2,274 volunteer hours or an average of 15 hours per call. Mutual aid from surrounding jurisdictions was received on a total of 8 calls.

EQUIPMENT

All apparatus is operational at this time. There were no major expenditures for repairs during 1993. The fire department has requested a budget items during 1994 to refurbish Engine 2. Engine 2 was delivered in 1979 and has been the department work horse until 1990. This apparatus is in need of major body work if it is to remain serviceable. At present the fire department plan is to purchase a new engine on a ten year rotation program.

TRAINING

During 1993 Farmington Fire fighters continued to train in-house at very little expense to the community. Each month one of the companies was assigned to provide training programs. Additionally members were encouraged to take part in training programs offered at neighboring fire departments and at special weekend training programs both in New Hampshire and Maine. Training

topics included the use of self-contained breathing apparatus, engine company operations, ladder operations, extrication techniques and the use of class A foam. Additionally members received outside training in such topics as live fire control, Hazardous materials operations, community planning, health and safety, LP gas fire fighting and building inspection, code enforcement.

THANK YOU

The members of the fire department wish to extend their heartfelt thanks to you the voters of Farmington. Your support at the March 1993 Town Meeting enabled us to purchase and install a new radio system which was sorely needed. We are happy to report that the new system is up and running very well. It has met all of our expectations and more. We would like to also thank you for your support during the year for all our activities. We look forward to serving you again during 1994.

Your comments and recommendations are most welcome. We encourage citizen input. If there is something that you particularly like about the way we handle our business please let us know. Likewise, if there is something we are doing wrong we need to know so we can attempt a fix.

PARKS AND RECREATION REPORT

1993 was a year of transition for the Parks and Recreation Department. In the early fall, the Recreation Office and Community Center Game Room relocated within the Town Hall. We are now located in the lower level of the building by the Senior Center.

Spring marks the beginning of our Girls Softball League. The league was a success with close to 70 girls participating. Spring also calls for the Annual Easter Egg Hunt, which was held indoors this year due to the weather. We had approximately 65 youngsters searching for eggs and treats!

Summer is the busiest time for our department. This past summer we offered Morning Day Camp for youth in grades 1 - 6. A special addition to this year's camp was trip day. Our camp went to several state beaches and lakes as well as to Water Country in Portsmouth. The average daily attendance at camp was 35 youth with the busiest day recording close to 80 youth.

Once again this year we were awarded a Grant which enabled our department to employ 10 Farmington Youth. This grant was aimed at offering a combination of education and employment and community based projects for the youth. Some of the projects our group worked on include creating the new park adjacent to the Town Hall, renovations within the Town Hall, helping to prepare the Town Garden and creating the new walking path for the community located behind the High School. We will be applying for this grant again this year.

The 11th Annual Hay Day theme Cartoon Carnival was literally hot stuff! Despite the 95 degree heat and 100 percent humidity, Hay Day was a fun time for all. Some of the events that took place included a Main Street Parade, Scavenger Hunt and Bed Race. The day ended with a concert performed by the E-Z Band and the Annual fireworks display. The 12th Annual Hay Day is set for Saturday, August 27th. The 1994 theme is "Hats off to Farmington".

A number of leagues and activities take place during the Fall. The 9th Annual Nute Ridge Half Marathon, despite the cold and rainy weather, was a success. Nearly 100 runners competed for \$1,300 in prize money. Another major activity was our 2nd Annual Halloween Bash. The response to our party was overwhelming with close to 130 ghosts and goblins participating. In November we sponsored the 2nd Annual Ski and Skate Sale, this year's cash profits were doubled from last year! This will be an Annual event!

Winter also marks a busy time for us with a number of leagues and teams participating in a variety of programs. The Men's Basketball League has increased to an 8 team league. The league games take place in the town hall gym on Sunday Mornings. Our Coed Adult Volleyball league has 5 strong teams competing to become #1 each Monday night.

We sponsor a Girls Junior High Recreation Basketball Team that has a competitive 10 games schedule, and our High School Boys Basketball Team is once again competing in the North East Basketball League. Step Aerobics Classes are offered on Tuesday and Thursday evenings in the gym, and we host bi-weekly Junior/Senior High School dances.

The Parks and Recreation Department also offers a variety of Senior Citizen programs and Community Programs through out the year. We are always looking for new ideas and volunteers. Please feel free to stop by and visit us with your ideas!

Respectfully Submitted,
Kerry Mucher
Director of Recreation

REPORT OF THE HEALTH/ANIMAL CONTROL OFFICER ANNUAL REPORT FOR 1993

This year a total of 278 animal calls were responded to. The calls vary from barking dog complaints to removing injured animals from the roadside. 50 dogs were taken to Cocheco Valley Humane Society.

The licensing of dogs generated \$2,487. Another \$1,220 was collected in various animal related fines. Creating a total revenue of \$3,707.

There were 67 Health related responses. These entailed such things as inspecting daycare centers, working at the landfill and following up on reported dog bites.

You should be aware that the rabies virus in animals is rapidly spreading in this area. Make sure your cats as well as dogs have received their rabies shots.

Respectfully submitted,
John C. Fitch
Health/Animal Control Officer

Highway Department 1993 Annual Town Report

1993 has been a busy year. The Town contracted the paving of the in-town streets on the Western side of Main Street. The contract was awarded to Tilcon Maine of Route 11, in Town.

The money used for this came from the State with a small portion from the Town budget and also a good sum of money from impact fees designated for two specific areas. The upper Meaderboro Road and the Little City Road.

The Highway Department was involved with Cardinal & Sons in the complete rebuilding of the Poor Farm Road. 1,930 ft in length and the excavation of 2,640 ft. of slopes, stumps, rocks and ledge. Part of which, to be completed in the Spring of 1994 under the same contract.

Cardinal & Sons was also awarded the bid to excavate 2,080 ft. of ditch line and line with six inch minus ripp rapp to be furnished by the Town.

The Highway Department is presently working on a Road Surface Management System (RSMS) to coincide with a five year master plan for the purpose of rebuilding and paving of streets and roadways in the road network within the Town limits.

I would like to take this opportunity to thank those individuals who showed great interest in being involved with the five year master plan for paving of the roads and also those individuals involved with the recycling program and clean up of the landfill.

The Highway and Water Departments completely rebuilt the rest of the sidewalk on Tappan Street, from the corner of Central Street to Bud's Star Market.

In an effort to protect the streets and roadways that were paved the year before the Highway Department sealed 3½ miles of roadwork.

I would like to take this opportunity to thank the Board of Selectmen, Budget Committee Members and all the townspeople who support the programs that the Highway Department has in place to improve Farmington's roadways.

Respectfully Submitted
Clark Hackett
Road Agent

FARMINGTON ZONING BOARD OF ADJUSTMENT
1993 ANNUAL REPORT

I am pleased once again to report on the activities of the Farmington Zoning Board of Adjustment. For those townspeople who are unfamiliar with our function, our job is to hear appeals requesting variances and special exceptions to the Farmington Town Ordinance, or appeals from administrative decisions made by town officials. Ordinarily the Board is composed of five full members and can have up to as many as five alternates.

During 1993, the Board held six public hearings. Two were requests for variances from the setback ordinance, three were requests for special exceptions to allow businesses in residential areas. All variances and special exceptions were approved. One public hearing was held on an appeal from a decision by the building inspector. That appeal was denied.

To update their knowledge of zoning law and procedures, board members attended the New Hampshire Municipal Law Lecture Series in October and November. These were extremely informative.

The Board was sorry to lose Rick Semo as a member in September, 1993. Rick joined the ZBA in April, 1992 and in August of that year was appointed as a full member. On a happier note, in November the Board welcomed a new alternate member, Tim Evans. Additionally, Ruth Chase was appointed a full Board member in December. The Board is currently seeking at least one new alternate to serve on the ZBA. If you are interested in serving, or if you know someone who is interested, please contact the Selectmen's Office for an application form.

Respectfully submitted,

Mary M. Jolles
Chairperson, Farmington ZBA

REPORT OF THE CODE ENFORCEMENT OFFICE

In 1993 the Code Enforcement Office reviewed over 70 plans for new construction and remodeling. This resulted in an issuance of 67 building permits valued at \$1,833,317.50. While the number of permits went down from last year, the total value of the work had increased.

Forty electrical permits were issued - Twenty for new services and twenty for service upgrades.

The building permits are broken down as follows:

New Homes	12
Mobile Homes	5
Residential Repairs/Alterations	15
Residential Additions	14
Residential Outbuildings	8
Commercial Buildings	1
Commercial Repairs/Alterations	8
Others	4

The Code Enforcement Officer conducted 1,120 inspections, investigated 51 complaints, attended 53 Planning & Zoning Board meetings and travelled 2,763 miles.

Respectfully Submitted,
Donald J. Gilbert
Code Enforcement Officer

Librarian's Report For The Goodwin Library 1993

The Goodwin Library has been able to provide continued services and programming because of the town's ongoing support. There are many individuals who must be thanked for their aid and guidance throughout the past year. The first thank you must go to four former library trustees - Beulah and James Thayer, Jean Pease and Eugene Nute. At different times during 1993 each resigned from the library board after many, many years of service to this community. Their presence will be greatly missed.

I would also like to thank our volunteer story teller Diana Godin who made preschool story hour more fun than ever before. The children's summer reading program grew in numbers dramatically this year. Greatful thanks to the mothers who helped out - Pat Fortucci, Carol Lepene, Margie Beaudoin and Carol O'Connell. Thanks to the Farmington National Bank for book marks and book bags and to Televisions Etc for the donation of 100 audio cassettes. Finally thank you to the Library Board of Trustees for their continued support of the library and their service to this community.

The adult books borrowed in 1993 were 12,695, children's titles borrowed were 10,092. Making the total circulation 22,787. The number of registered borrowers has increased by 50 to 1,898. This is not a true figure of the number of people who use the library because families of 3 to 8 people may use one card. Inter-library loan requests filled for 1993 total 92. This number has dropped for the last 2 years. This year the library has received interlibrary loan books from the free New Hampshire State Library van service. Previously the library paid regular postage to mail these books back to the loaning libraries.

The number of books purchased in 1993 - adult titles 510, young adult and children 336. The library subscribed to 30 different magazine titles and 2 newspapers. The free Puddledock Press and the Rochester Times are also available.

In 1993 the library joined a video cooperative of area libraries. The cost is \$100.00 per year. For this money we receive 25 videos on a rotating bases 4 times a year.

The number of programs offered in 1993 were similar to the previous year.

- Preschool story hour - 20 weeks
- Summer reading program - 8 weeks
- Summer reading program final program - 1 day
- Library art show - 1 week
- Exhibitor open house - 1 day
- Free income tax service - 10 weeks
- CONNECTIONS literacy program - 6 weeks

The staff of the library is looking forward to a busy 1994 serving our community.

Respectfully submitted,

Dorinda C. Howard

**Welfare Department
1993 Annual Town Report**

December 1993 has been an overly active month for this department with an average of 3 new requests per business day, coupled with a number of serial requests.

The bulk of requests have been for home retention payments due to foreclosure or eviction. The full impact of the 1992 depression is just now being felt in this department.

A fair number of people have gotten jobs through temporary services and were laid off or terminated around Thanksgiving without unemployment benefits, having had little employment in 1992.

There has been a 30% increase for the year in broken home cases and a 70% increase in disability claims pending.

Heating oil assistance is down due to the weather and the timely response by the Energy Assistance Program.

Utility assistance has doubled largely due to the PSNH rate increases.

I fully expect 1994 claims to drop noticeably by the end of the first quarter.

Thank you for a highly productive year and a pleasant working environment. I hope to maintain the standard of service to the Town of Farmington that is the "hallmark" of this office.

Sincerely,
L. Bruce Pence
Welfare Director

WATER DEPARTMENT
1993 ANNUAL REPORT

The biggest accomplishment in 1993 was passing the first set of lead and copper tests. This was a result of a corrosion control treatment that minimizes the corrosivity of the water to prevent lead and copper from leaching into the water from homeowners pipes. Many municipalities have failed to pass these tests. We will continue to optimize the treatment and will continue to monitor for lead and copper as required. We also completed the first round of tests for the EPA required phase II and V sampling of all potable water sources. We passed these tests also.

We pumped 84,000,000 gallons from the new wells #4 and #5 with an average daily demand of 230,000 gallons. Our leak detection program indicates that there is minimal water loss due to pipe leakage.

We completed replacing the old 4 inch water main on Winter St. (325FT) with 8 inch main and changed over the water services. We also "polypigged" (cleaned) the 6 inch water on Glen St. from the beginning of Grant Street to Winter Street. This cleaning process removes the heavy tuberculation from the inside of the pipe walls and restores the carrying capacity of the pipe. The corrosion control system will keep the tuberculation from reforming. We will continue to replace undersized mains and clean deteriorated mains as the budget will allow.

Several hundred feet of 8 inch main was installed on Watson Corner Road with the intention of connecting the Lilac City Mobile Home Park to the town's system in 1994.

We repaired 3 service line leaks, 2 main breaks and replaced or added 7 water services. A total of 57 new and rebuilt meters were installed.

Respectfully submitted
Dale Sprague,
Superintendent

WASTEWATER DEPARTMENT

1993 ANNUAL REPORT

The wastewater plant treated 71,556,000 gallons of sewage or an average daily flow of 196,000 gallons. The biochemical oxygen demand (BOD) average removal was 94.0% and the suspended solids average removal was 90% for the year. The NPDES permit requires a minimum of 85% removal for both parameters.

We have selected an engineering firm and started the design process for a much needed clarifier. There is currently one clarifier and it has to be on line continuously in order for the plant to meet the effluent standards. The unit needs to be overhauled and some significant deferred maintenance performed on it as soon as a new clarifier can be constructed. Construction of the new clarifier is now scheduled for the spring/summer of 1995 subject to suitable financing.

We are continuing to explore the feasibility of applying the wastewater sludge to some land at the landfill. This will be an important goal since the landfill will be closed in the near future and we need an inexpensive means of disposing of the sludge. Beneficial reuse of the sludge whether through land reclamation or composting is probably the best alternative given the type of sludge we have.

Most of the plant equipment is in good shape. As I have indicated in the last couple of annual reports, the plant is getting older and we would expect an increase in problems. The town has been very fortunate in having been able to obtain quality equipment when the plant was built in 1975/76. We reconditioned both oxidation ditch rotors and have worked on the two unit pumps. We are currently testing some new waterless pump packing which, if it performs well, would allow us to eliminate the existing seal water system which is going to be a problem in the future.

Respectfully Submitted
Dale Sprague
Superintendent

REPORT OF THE CONSERVATION COMMISSION

In 1993 the Conservation Commission again had a very productive year.

The UNH Outreach Program continued work at the Town Forest. Currently a boundary survey of the parcel was completed. The sign erected at the Town Forest was knocked down and a more substantial sign post will have to be erected this spring, Tom Huckins donated steel to construct a gate for the access road to the Town Forest.

The Conservation Commissions efforts and more notably the efforts of Ed Demers were successful in having the Town Pound designated as a National Historic Site. Funds were received from the Trustees of the Trust Funds for a bronze plaque that will mark the site. Several members of the Commission worked at the pound clearing brush, more work needs to be done. Clearing of brush will allow the pound to be readily seen from Ten Rod Road, reducing any chances of vandalism. The 5th grade classes at Memorial Drive School raised \$200 towards restoration of the pound. We have received several estimates from stone masons experienced in restoration work. We anticipate having restoration work done in the spring, although the pound is mostly intact, there are a few large stones that have fallen.

Work on a study of the Mad river continued. Part of the grant from the New Hampshire Rivers Campaign Small Grants Program was used to obtain data from the Complex Systems Center at UNH in digital format to develop a Land Information System of the Mad River watershed.

The wood duck housed constructed 2 years ago with the help of the Boy Scouts have been placed in several locations. There has been no signs of activity in any of the duck houses, we will be moving several of them to new locations.

The Conservation Commission continued work on a natural resources inventory for the Town, and continued to review wetlands applications and other projects including the community garden project on Lone Star Avenue.

Anyone who would like to help with some of the Conservation Commission projects is welcome, contact any one on the commission or come to our meetings.

Respectfully Submitted,

Randy R. Orvis, Chairman

Annual Report

Dear Taxpayer,

Rural District Visiting Nurse Association, Inc. continues as a private non-profit whose purpose is to provide high quality, compassionate home health, hospice and community health care services to all ages within our member towns. Last year has been a year of change, continued growth, and curious concern regarding health care at the Federal level.

We are now located in our new building. At the time of the move, the agency underwent a survey by the New Hampshire Division of Public Health Facilities Administration and we continue to be licensed as a Certified Home Health Agency with the addition of Community Clinic and Hospice licenses. The new facility is a vast improvement in clinic facilities and much needed office space.

Our needs for building, computer, and telephone were recognized by many of the residents of our service area, as was evidenced by gifts to our building fund. These local contributions, combined with the grants received from the Agnes Lindsay Trust, Samuel Hunt Foundation, and Lou and Lutz Smith Charitable Foundation, enabled us to stay within our budget. It is wonderful to know how valued our services are to people inside and outside our communities.

We have seen an increase in services to the uninsured and are working with many more terminal patients and their families. In 1993 Rural District VNA has provided Farmington residents with the following services:

Skilled Nursing	4117	visits
Home Health Aide	4034	visits
Homemaking	464	hours
Physical Therapy	918	visits
Occupational Therapy	64	visits
Speech Therapy	179	visits
Medical Social Worker	82	visits
Adult Health Screenings	184	people
Flu Shots	99	people
Maternal Child Health	148	children

Your town contributions are essential to meeting the many needs in your community. We are proud to be meeting these needs since 1973, and I look forward to working with you in the future.

We would like to express our appreciation to our Board members from Farmington, Jane Fall, John Fogell, and Donald Marble. The unselfish generosity of their time and talent has helped us accomplish all that we do. We are always looking for ways to better serve your community and any suggestions are always welcome. Talk to your representatives, or call me with recommendations or questions about any of our programs.

Sincerely,

Linda Hotchkiss

Linda Hotchkiss, RN, BS

TOWN MEETING 1993

Town meeting opened at 7:00 PM, Wednesday, March 10, 1993 with Moderator, Mary Barron, presiding. We were led in the Pledge of Allegiance by the Farmington Boy Scout Troup. Reverend Glenn Merrill then gave an invocation. Mary Barron then presented Emmanuel Krasner, former Moderator with a plaque representing his years of service as Moderator for the town. She then introduced the Department Heads and Board of Selectmen. A brief description of the rules and procedures was then announced.

Article 1

To choose one Selectman for three years, one Treasurer for one year, three Budget Committee members for three years, one Moderator for one year, one Trustee of the Trust Fund for two years, and one Trustee of the Trust Fund for three years.

As per election results Tuesday, March 9, 1993.

Article 2

To vote on the following question: "Are you in favor of increasing the Board of Selectmen to 5 members?". (by petition)

Defeated as per election results Tuesday, March 9, 1993.

Article 3

To see if the town will vote to change the selection of planning board members from that of appointed to elected as provided for in RSA 673:2 II (b). (by petition)

Constance Connick made a motion to approve, seconded by Lola Drew. A verbal request for secret ballot was made by Constance Connick. She was informed that she needs to present a petition with 5 signatures. After much discussion, Linda Ghareeb made a motion to move the question. This was duly seconded and approved by a show of hands. Article 3 was defeated by a show of hands.

Article 4

To see if the town will vote to reduce the budget by an amount equal to \$36,000. The purpose of this article is to eliminate the position of Administrative Assistant, also known as Town Administrator, and all related funding, effective immediately. This article is intended to rescind the authorization for the Selectmen to hire an Administrative Assistant which was given by an affirmative vote on warrant article 2 in the 1976 report. (Article not recommended by the Budget Committee) (by petition)

Ruth Chase made a motion to approve, duly seconded with a verbal request for secret ballot. She was informed that she would need a petition with 5 signatures. A motion was made to table, duly seconded. This motion was defeated by a show of hands. After much discussion, Randy Orvis moved to call the question, duly seconded and approved by a show of hands. Article 4 was defeated by a show of hands.

Article 5

To see if the Town will vote to authorize the Selectmen to rename the position of Administrative Assistant to that of either Town Administrator or Executive Administrator, which change will avoid confusion that has arisen with the increasing use of Administrative Assistant in private industry for primarily a secretarial role. This is in keeping with the intent of the affirmative vote on warrant article 2 in the 1976 Town Meeting.

Gerald McCarthy made a motion to approve, seconded by Barbara Spear. After much discussion, motion was made to call the question, duly seconded and approved by a show of hands. Article 5 was approved by a show of hands vote.

Article 6

To see if the town will vote to eliminate from the budget by an amount equal to \$44,415.26. The purpose of this article is to eliminate the full time code enforcement position and associated support staff and replace it with a part time code enforcement officer to be paid for on a per inspection basis. (Article not recommended by the Budget Committee) (by petition)

Lola Drew made a motion to approve, seconded by Constance Connick. After much discussion, Article 6 was defeated by a show of hands.

Article 7

To see if the Town will vote to raise and appropriate the sum of \$2,622,029 (two million six hundred twenty-two thousand twenty nine dollars) for the operation, expenses, and commitments of the Town Government which represents the bottom line of column #3 (the Selectmen's budget) in the posted budget (MS-7). Said sum includes articles 8, 9, and the pay per bag option in article 10. (Budget Committee recommends \$2,622,029 (two million six hundred twenty two thousand twenty nine dollars inclusive of their recommendations on Articles 8,9, and 10.)

Donald Gordon made a motion to raise and appropriate \$2,622,029, duly seconded. It was explained that this included monies in Articles 8 and 9 and the pay-per-bag

recommendation in Article 10. Randy Orvis made a motion to amend by \$250,000 plus keep the pay-per-bag option for Article 10. This was seconded by Dorinda Howard. After much discussion, this amendment was defeated by a show of hands vote. Kurt Olson made a motion to amend to read that all fines for littering go to the landfill capital reserve fund, if legal, duly seconded and approved by a show of hands vote. Emmanuel Krasner made a motion to amend to add the words that the 1993 Town Report contain detailed breakdown including personnel costs by department, duly seconded. After much discussion, Walter McGuigan moved to call the question, duly seconded and approved by show of hands. The amendment was approved by a show of hands vote. Emmanuel Krasner made a motion to add \$400.00 to \$2,622,429 to cover additional printing costs for the previous amendment. This was duly seconded and defeated by a show of hands. Howard Champagne made a motion to call the original motion as amended, duly seconded and approved by a show of hands vote. John Scruton made a motion to restrict reconsideration on Article 7, seconded by Barbara Spear and approved by a show of hands.

Article 8

To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of purchasing heavy highway equipment and to raise and appropriate the sum of twenty seven thousand dollars (\$27,000) to be placed in this fund. (Included in Article 7) (Recommended by the Budget Committee)

See above.

Article 9

To see if the Town will vote to raise and appropriate forty nine thousand eight hundred seventy five dollars (\$49,875) for purchase of a new radio system for the fire department. (Included in Article 7) (Recommended by the Budget Committee)

See above.

Article 10

To see if the Town will raise and appropriate \$250,000 for the landfill capital reserve or will vote to authorize the Selectmen to institute a user fee (pay per bag) upon the use of the landfill with all the proceeds going for the engineering and closure of the landfill and to adopt the provisions of RSA 31:95-c to restrict the revenues from funds raised in this manner to expenditures for the purpose of Landfill engineering, legal, and closure fund, separate from the general fund. Any surplus in said fund shall not

be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund and source of revenue. The suggested fee is \$1 per bag with equivalent fee for similar amount if upon a request made in advance, arrangements are made with the Board of Selectmen. (Pay per bag option included in Article 7.)(Budget Committee does not recommend \$250,000, but does recommend pay per bag)

See above.

Article 11

To see if the town will vote: "whether or not the unmaintained in winter months section of Poor Farm Road be reclassified a Class 6 road." (By petition)

A motion was made and duly seconded to table. After much discussion and a legal opinion, a motion was made and seconded to call the question. This was approved by a show of hands. Article 11 was approved to table by a show of hands vote. A motion to restrict reconsideration was made and duly seconded and approved by a show of hands.

Article 12.

To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the town gifts, legacies, and devises made to the town in trust for any public purpose, as permitted by RSA 31:19.

A motion was made by Donald Gordon to approve Articles 12 through 18, duly seconded. It was explained that these were "boilerplate" articles. These Articles were approved by a show of hands.

Article 13

To see if the town will vote to authorize the Board of Selectmen to apply for, accept, and expend, without further action by Town Meeting, money from Federal, State or other governmental unit or a private source which becomes available during the year, in accordance with RSA 31:95-b.

See above.

Article 14

To see if the municipality will vote to authorize the Board of Selectmen to accept gifts of personal property which may be offered to the municipality for any public purposes, pursuant to RSA 31:95-e. This vote shall remain in effect until rescinded by a vote of the municipal meeting. The selectmen must hold a public hearing before accepting any such gift, and the acceptance shall not bind the town to raise, appropriate or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property.

See above.

Article 15

To see if the Town will vote to authorize the Board of Selectmen to transfer tax liens and to convey any real estate acquired by the Town by tax collector's deed. Such conveyance shall be by deed following a public auction, or the property may be sold by advertised sealed bids, or may be otherwise disposed of as justice may require, pursuant to RSA 80:80.

See above.

Article 16

To see if the Town will vote to pay only under protest any and all sums mandated by the State in violation of the State Constitution which are included in this budget and which the Board of Selectmen deem expedient to pay pending resolution of their constitutionality and to refuse to pay those sums mandated by the State in violation of the State Constitution which the Board of Selectmen deem inexpedient to pay.

See above.

Article 17

To see if the Town will vote to authorize the Selectmen to borrow notes to the credit of the Town such sums of money as may be necessary to meet current expenses in anticipation of Taxes.

See above.

Article 18

To see if the Town will vote to indemnify and save harmless for loss or damage occurring after said vote any person employed by it and any member or officer of its governing board, administrative staff or agencies from personal financial loss and expense including reasonable legal fees

and costs, if any, arising out of any claim, demand, suit or judgment by reason of: 1/ negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property if the indemnified person at the time of the accident resulting in the injury, damage or destruction was acting in the scope of his employment or office; and/or 2/ any act or omission constituting a violation of the civil rights of an employee or any other person under any federal law if such act or omission was not committed with malice, and if the indemnified person at the time of such act or omission was acting within the scope of his employment or office as provided for in RSA 31:105 and 31:106.

See above.

Article 19

To authorize the Selectmen to sell to the highest bidder municipal vehicles including an old army surplus truck, one automobile, and other equipment as determined by the Selectmen.

A motion to approve was made by Nicholas Jolles, seconded by Patti Conway and approved by a show of hands.

Article 20

To see if the Town will vote to allow the Board of Selectmen to select engineering, legal, and other professional services on the basis of qualifications and establishing a long term relationship instead of a lowest bid process.

A motion to approve was made by Barbara Spear, seconded by John Fitch and approved by a show of hands vote.

Article 21

To transact such other business as may legally come before this meeting.

Donald Gordon wished John Scruton, Administrative Assistant, good luck on his new job. A motion to adjourn was made at 9:40, duly seconded and approved by a show of hands.
